

**FIELD VISIT TO GOJALGHAT  
CACHAR, ASSAM  
Date: 2nd July 2022**

MFM staffs at Gojalghat

On 2nd July 2022, MFM staff's conducted a filed visit at Gojalghat, Cachar Area, Assam. MFM have one Health Worker, Mrs. Lalengmawii and her family stationed here. The area was affected by severe floods during the monsoon season creating scarcity of fresh water and other daily basic needs. Gojalghat is one of the most backward areas in Assam with little to no health care facility and our health worker plays an important role for the surrounding communities. Medicines, important medical equipment and daily household needs were provided by MFM staffs.
