# LAITHANGPUI COLLEGE OF PHARMACY

Laithangpui College of Pharmacy, established in 2014, stands as a beacon of excellence in pharmaceutical education. With the privilege to admit 60 students annually, our institution has become a cornerstone in shaping the future of pharmaceutical professionals. Affiliated with both the State Council for Technical Education and the Pharmacy Council of India, we uphold the highest standards of education and practice.

Laithangpui College of Pharmacy takes pride in its well-equipped laboratories, catering to both allopathy and homeopathy. Our commitment to practical and hands-on learning is fortified by a medicinal plantation in our own nursery. This unique feature not only enhances the learning experience but also aligns with our vision of making a substantial impact on the pharmaceutical profession, particularly in Northeast India.

<b>Total Assessed</b>	900	265	635		
<b>Total Certified</b>	827	234	593		

# ORGANIC FARMING FOR SUSTAINABLE AGRICULTURE PRODUCTION

The pandemic hampers normal lifestyle including food Production and Vegetables supply chain. To mitigate this Ministry of Tribal Affairs Govt of India and Social Welfare Dept selected Mission Foundation Movement as a Project Implementing Agency to promote self-sufficient in agricultural Products through organic farming was initiated at Thingsulthliah and Reiek RD block.

For selection of beneficiaries, A project Approval Committee was formed at the Block level under the Chairmanship of Block Development Officer (BDO). Project Implementing Agency PIA then requested BDO office to make a shorted list beneficiary from Self Help Group members. Among shortlisted SHG verified by Project Staff on the spot, the Project Approval Committee selected 150 SHG for the beneficiaries under Organic Farming Project.

The Training of the Farmers was conducted with cluster of adjacent villages with a Maximum of 35 only. The Training was imparted to the farmers in various fields Green manuring, method of vermicomposting, water use efficiency, post-harvest management, integrated Disease and Pest Management. The trainings were conducted in field conditions and therefore completed during the dry period and when most of the farmers do not have heavy farm activities.

The greenhouse with a dimension of 20m x 5m to five villages in Reiek RD Block and Thingsulthliah RD Block which would be utilized and taken care-off by the Self-Help Group members. The selection of these villages was solely undertaken by MzSRLM RD Block, Organic Farming Project had on the spot verification. Construction of these greenhouses was duly completed on 31st March 2022

The beneficiaries who completed their training courses were given Certificate of appreciation, Rs. 3,000 and Support Equipment like, Hoes, Shovels, Spades, Water Pipes and Organic Seeds like Sweet corn (vaimim), Bean and Ladies Fingers (Okra) seeds to under Organic Fanning for Sustainable Agriculture Production Project.
