POWERING HEALTHCARE IN MIZORAM THROUGH CLEAN ENERGY AND ENERGY EFFICIENCY

Mission Foundation Movement (MFM) participated in the panel discussion on "Powering Healthcare in Mizoram through Clean Energy and Energy Efficiency." on 2nd July 2026. Organized by WRI India.During the session, Ms. Esther Lalthachawii highlighted MFM's mission, its various programmes, partner institutions, and the work of its field staff in serving remote communities.

She explained that MFM field workers often conduct community outreach activities at night, as most villagers are engaged in farming during the daytime. Ms. Esther emphasized the critical role of reliable electricity in ensuring effective healthcare delivery, particularly at Khamrang Health Centre, where poor transportation, harsh weather conditions, and limited access to electricity present significant challenges. She stressed that uninterrupted power is essential for maintaining healthcare services, supporting medical equipment, and improving access to quality care in remote areas.

MNC EXAMINATION FOR ANM & GNM

The Mizoram Nursing Council (MNC) examinations for Auxiliary Nurse Midwifery (ANM) and General Nursing and Midwifery (GNM) students were conducted from 1st July to 24th July 2026.

Students of MFM School of Nursing, Durtlang, appeared for their respective examinations as part of their academic and professional nursing training. The examinations were conducted to assess the students' theoretical knowledge, practical competencies and understanding of essential nursing principles and practices.

The examination period marked an important stage in the academic journey of the nursing students, providing them with an opportunity to demonstrate the knowledge and skills acquired through classroom learning, clinical training and practical experience.

MFM School of Nursing continues to emphasise quality nursing education and professional development, preparing students to become competent, responsible and compassionate healthcare professionals who can contribute meaningfully to the healthcare sector.

16TH BATCH ANM FAREWELL

MFM School of Nursing, Durtlang, organised a farewell programme for the 16th Batch of Auxiliary Nurse Midwifery (ANM) students on 13 July 2026.

The programme was held to honour the outgoing students as they completed an important phase of their nursing education. The occasion provided an opportunity for faculty members and fellow students to share words of encouragement, appreciation and best wishes for their future careers.

The students were encouraged to carry forward the knowledge, skills and values they had gained during their training and to serve the community with dedication, compassion and professionalism.

FREE MEDICAL CLINIC AT MUALPHENG VILLAGE

On 10th July 2026, a Free Medical Clinic was successfully conducted at Mualpheng Village with the support of the Ministry of Tribal Affairs, Government of India, as part of ongoing efforts to improve access to quality healthcare services for rural and underserved communities. The medical camp was led by Dr. C.K. Lalfakawmi (MBBS), with the support of two qualified nurses and a pharmacist who worked together to provide comprehensive healthcare services to the local population. The initiative aimed to address the healthcare needs of villagers by offering accessible and timely medical care within their community.

During the clinic, a total of 86 beneficiaries received a range of essential healthcare services, including general health check-ups, medical consultations, diagnosis, treatment, and the distribution of free medicines. The programme also provided an opportunity to raise awareness about the importance of preventive healthcare, early diagnosis, and seeking timely medical attention. The successful implementation of the medical clinic helped strengthen healthcare accessibility in the village while contributing to the overall health and well-being of the community.

GENDER-BASED VIOLENCE

During July 2026, Gender-Based Violence (GBV) awareness and prevention activities were conducted in churches and schools, alongside the commencement of self-defense training programmes.

GBV Awareness Programmes:

Churches

- 3 July 2026: Corps Cadet, Bethlehem Corps, Salvation Army
- 13 July 2026: BCM Durtlang (BKHP)
- 20 July 2026: BCM Bethlehem Vengthlang (BMR, BKHP)

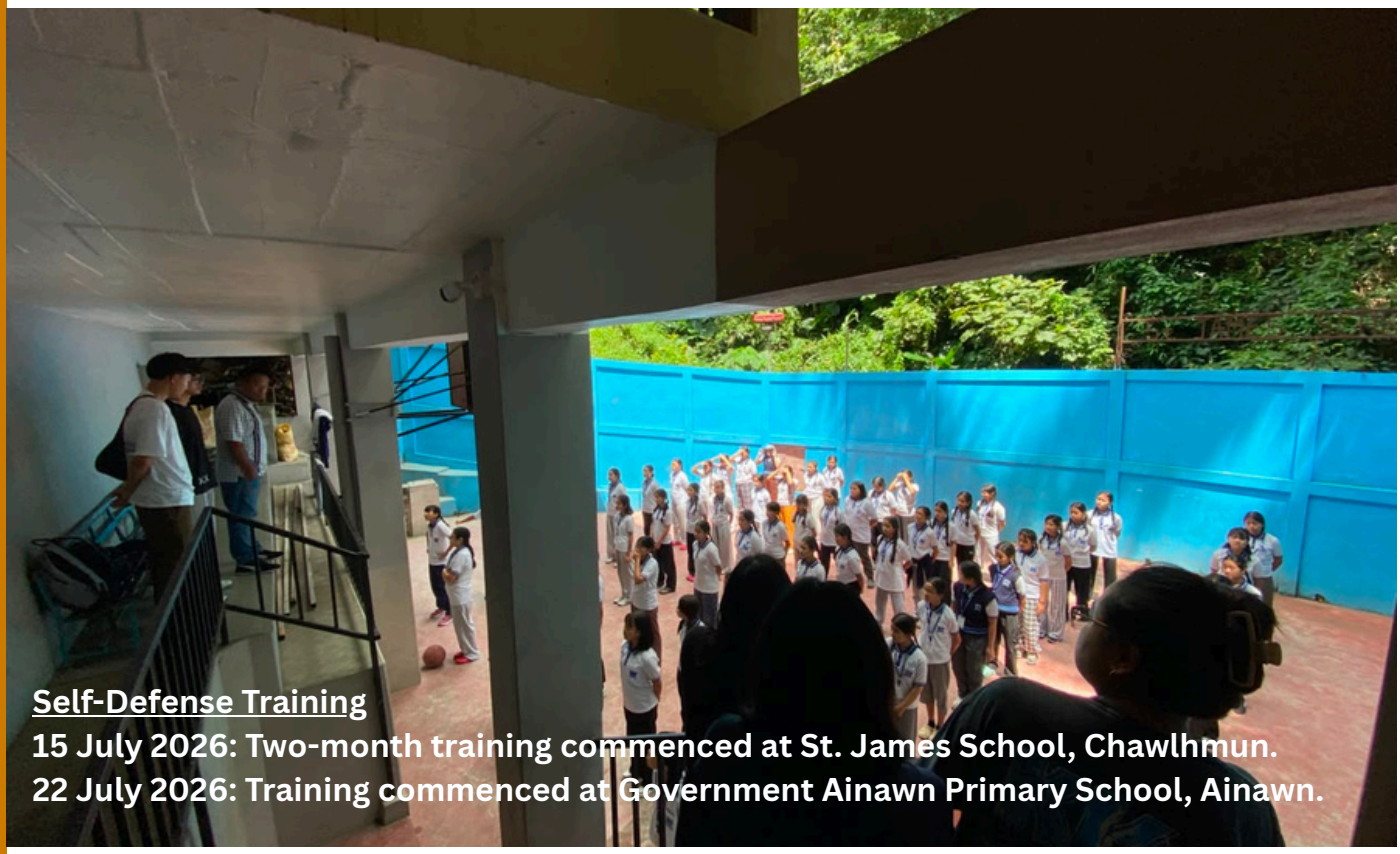

School

- 16 July 2026: Government Ainawn Primary School

Self-Defense Training

15 July 2026: Two-month training commenced at St. James School, Chawlhmun.
22 July 2026: Training commenced at Government Ainawn Primary School, Ainawn.

Summary

The activities conducted during the reporting period strengthened GBV awareness and promoted personal safety through community outreach and self-defense training.

JUST RIGHTS FOR CHILDREN (JRC)

C. Roluahpuii undertook an official visit to New Delhi from 26 July to 1 August 2026 for the signing of an agreement between Mission Foundation Movement (MFM) and Just Rights for Children (JRC).

The visit marked an important step towards strengthening institutional collaboration between MFM and JRC, particularly in advancing child rights, child protection and the promotion of a safe and supportive environment for children.

Through this agreement, both organisations aim to establish a framework for cooperation and strengthen their collective efforts towards protecting children from abuse, exploitation and other forms of violation of their rights. The partnership is also expected to encourage coordinated initiatives, awareness programmes and community-level interventions to promote child welfare and safeguard the rights and dignity of children.

The signing of the agreement represents MFM's continued commitment to inclusive community development and social welfare, with particular emphasis on ensuring the safety, protection and well-being of children.

The official visit concluded on 1 August 2026, marking a positive step towards building a collaborative relationship between MFM and Just Rights for Children.

DELHI SEMINAR

A seminar was organised by Glory Education Center (GEC) at its Chapel Hall in Delhi, with Upa Dr. R. Vanlalzauva serving as the Resource Person.

The seminar was conducted to provide participants with valuable insights and knowledge on the subject of discussion. Upa Dr. R. Vanlalzauva shared his experience, knowledge and perspectives with the participants, making the session informative and meaningful.

The programme was attended by participants and members of Glory Education Center. The seminar provided an opportunity for learning, interaction and exchange of ideas, contributing to the educational and personal development of those present.

The programme was held at 10:00 AM at Chapel Hall, Glory Education Center, Delhi.

AUGUST 2026

36TH DIHAC CROSS-CULTURAL EXCHANGE SEMINAR

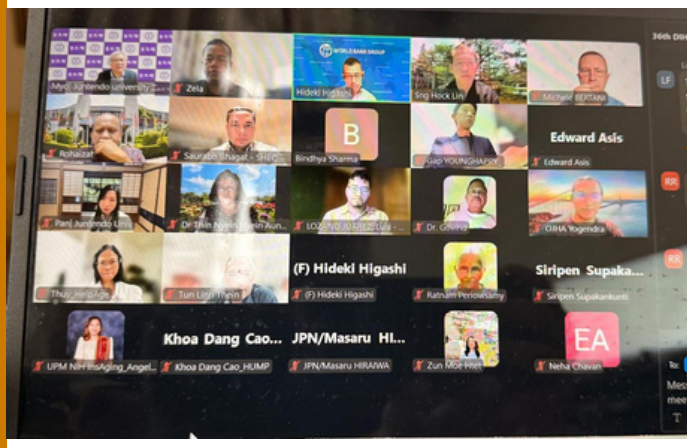

The 36th DIHAC Cross-Cultural Exchange Seminar, organised by Juntendo University, Japan, was conducted on 5th August 2026, through an online meeting platform, bringing together participants and representatives from different countries and organisations to exchange knowledge, experiences and perspectives on various areas of mutual interest.

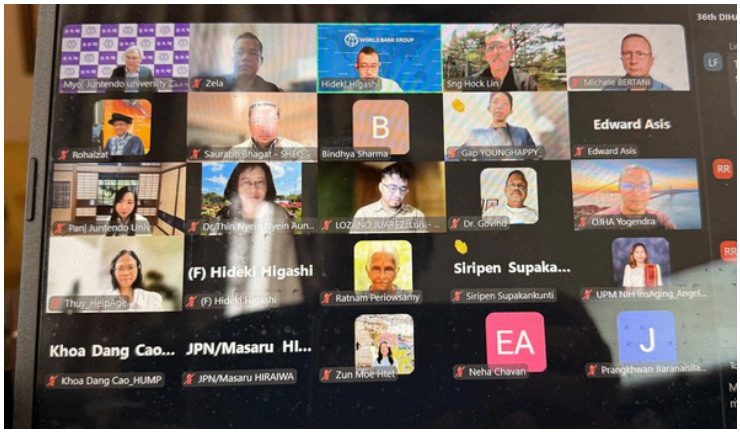

The seminar was attended by Pu Lalramchuanzela, Executive Director of Mission Foundation Movement (MFM), who delivered a speech focusing on Geriatric Care and the Regional Resource and Training Centre (RRTC).

During his presentation, he highlighted the importance of geriatric care in addressing the growing needs of the elderly population, particularly in terms of accessible healthcare services, professional caregiving and community-based support. He also shared insights into the role and initiatives of RRTC in strengthening elderly care services and building the capacity of caregivers through training and resource support.

The seminar provided a valuable platform for cross-cultural interaction, knowledge sharing and international collaboration, particularly in the field of elderly care and healthcare development. MFM's participation also offered an opportunity to share its experiences and initiatives in promoting quality geriatric care and strengthening caregiving services in Mizoram.

The programme concluded with an exchange of ideas and appreciation among the participants, further encouraging cooperation and understanding among the participating institutions and organisations.

SKILL AWARENESS CAMPAIGN

Jan Shikshan Sansthan (JSS), Mamit, organised a Skill Awareness Campaign at Government Mamit College on 6th August 2026. The programme aimed to create awareness among students about the importance of skill development, vocational education, and the various training opportunities available to enhance their employability and livelihood prospects.

During the campaign, students were introduced to the objectives and activities of JSS Mamit, along with the different vocational training programmes offered under the initiative. Emphasis was placed on the importance of acquiring practical skills, developing entrepreneurial abilities, and exploring alternative career opportunities beyond formal academic education.

The campaign also highlighted how skill-based training can empower young people to become self-reliant and improve their employment prospects. Students were encouraged to take advantage of available skill development programmes and consider vocational training as an important pathway towards building sustainable livelihoods.

The programme provided an opportunity to engage with college students and familiarise them with the role of JSS in promoting skill development and livelihood opportunities. Through such awareness campaigns, JSS Mamit continues its efforts to encourage youth participation in vocational education and contribute towards community empowerment and economic development.

KHAMRANG CLINIC REPORT

An official inspection of Khamrang Clinic was conducted on 11th August 2026 by Dr. R.K. Lalthlamuana, Chief Medical Officer (CMO), Kolasib District. The inspection was witnessed by Pu Robert, Village Council President (VCP), Khamrang.

During the visit, a comprehensive assessment was carried out covering the clinic's medical equipment, medicines, staff availability, building condition and overall infrastructure to evaluate the clinic's readiness and quality of healthcare services.

It was noted that no deliveries had been conducted at the clinic since May 2026. In view of this, the CMO instructed the clinic staff to ensure that all necessary delivery equipment and supplies were properly arranged and readily available in the labour room to facilitate safe and timely delivery services.

The CMO also encouraged the VCP, Khamrang, to promote and utilise the healthcare services available at the clinic so that more community members could benefit from the facilities provided. Furthermore, the clinic staff were requested to extend their support to the Health Worker in conducting routine immunisation activities to ensure effective delivery of essential healthcare services to the community.

The inspection highlighted the importance of maintaining adequate medical facilities, strengthening teamwork among healthcare personnel and encouraging community participation to improve the accessibility and quality of healthcare services at Khamrang Clinic.

COMMENCEMENT OF ACADEMIC SESSION 2026-2027

MFM School of Nursing, Durtlang, commenced its academic sessionon 15th August 2026 for the Auxiliary Nurse Midwifery (ANM) and General Nursing and Midwifery (GNM) programmes for 2026–2027 with the enrolment of 50 new students.

The newly admitted students were welcomed and introduced to the nursing programmes, academic expectations and professional responsibilities. Guidance and orientation were provided to help them understand the importance of discipline, dedication, compassion and ethical conduct in the nursing profession.

The students were encouraged to pursue their studies with commitment and recognise nursing not merely as a career, but as a profession dedicated to caring for others and serving the community.

The commencement of the new academic session marks another step in MFM's continued efforts to strengthen nursing education and develop skilled, responsible and compassionate healthcare professionals.

SUCCESS STORY

Malsawmsangi, General Duty Assistant (GDA), 1st Batch, successfully arrived in Japan on 25th July 2026 and commenced employment with Sompo Care on 1st August 2026.

She is currently working at Soga, Chiba Prefecture, Japan, marking another successful overseas employment placement facilitated through MFM's skill development and Japanese language training initiatives.

Her achievement reflects MFM's continued efforts to equip local youth with relevant skills and language proficiency, enabling them to access international employment opportunities, particularly in Japan's elderly care and healthcare sector.

Her placement marks an important milestone in her professional journey and demonstrates the growing opportunities for MFM-trained candidates in the international workforce.

LAUNCHING OF MMU FOR LUNGLEI DISTRICT

A Mobile Medical Unit (MMU) for Lunglei District was formally launched on 17 August 2026 at Lunglei, with Pi Lalrinpuii, Hon'ble Health Minister, Government of Mizoram, as the Chief Guest.

The Mobile Medical Unit was sponsored by TATA AIG General Insurance Company Ltd. under its Corporate Social Responsibility (CSR) – Healthcare Theme. The initiative aims to strengthen access to essential healthcare services, particularly for communities in remote and underserved areas of Lunglei District.

The MMU will facilitate the delivery of basic medical consultations, health screening, preventive healthcare and other essential medical services to communities in hard-to-reach areas. The initiative is expected to contribute towards improving timely access to healthcare and strengthening community-level health services in the district.

The launch of the MMU marks an important step towards bringing essential healthcare services closer to communities and addressing healthcare access challenges in remote areas of Lunglei District.

13TH ORIENTATION DAY

Laithangpuii College of Pharmacy celebrated its 13th Orientation Day on 18th August 2025 at Bawngkawn South YMA Hall, Aizawl. The programme was organised to welcome newly admitted students and formally introduce them to the academic environment, institutional values and activities of the college.

The orientation programme provided an opportunity for freshers to become familiar with the college, its academic expectations, discipline and the opportunities available throughout their course of study. The faculty members also encouraged the students to pursue their pharmacy education with dedication, responsibility and a commitment to the healthcare profession.

The programme included interactions and activities aimed at helping new students build relationships with their teachers and fellow students, while creating a welcoming atmosphere for the beginning of their academic journey.

The celebration marked an important occasion for Laithangpuii College of Pharmacy, strengthening its commitment to providing quality pharmacy education and preparing students for future professional responsibilities in the healthcare sector.

TEACHERS IN-SERVICE TRAINING PROGRAMME

A Teachers' In-Service Training Programme was conducted on 19th August 2026 at Stone Hall, Ramhlun, with the participation of teaching staff from MFM School of Nursing, Laithangpuii College of Pharmacy, and the General Duty Assistant (GDA) programme.

The training was organized to enhance the teaching competencies and professional capacities of the participating staff and to strengthen effective teaching and learning practices across the respective institutions.

The programme was facilitated by Prof. Lalbiakdiki Hnamte, Head of the Department of Education, Mizoram University (MZU), and Ms. Christina Lalthansangi, Lecturer, District Institute of Education and Training (DIET), who served as the resource persons.

The training provided an opportunity for the teaching staff to gain new perspectives, strengthen their instructional approaches, and share experiences related to effective teaching practices. The programme concluded with a renewed emphasis on continuous professional development and quality education.

TRAINING ON POULTRY FARMING

Jan Shikshan Sansthan (JSS), Mamit, organised a Poultry Farming Training Programme on 19th August 2026 with the objective of promoting practical skills and creating livelihood opportunities among community members through poultry farming.

The training programme focused on introducing participants to the basic knowledge and practices of poultry farming, including poultry management, feeding, housing, hygiene, disease prevention, and proper care of birds. Participants were also made aware of the importance of maintaining a clean and healthy farming environment to ensure better poultry production.

The programme emphasised the potential of poultry farming as a source of income generation and self-employment, particularly for individuals interested in starting small-scale farming activities. Participants gained useful knowledge about poultry care and the basic requirements for managing a poultry farm successfully.

Through this initiative, JSS Mamit continues to promote vocational skills, entrepreneurship, and sustainable livelihood opportunities among local communities. The training aimed to encourage participants to apply the knowledge gained and explore poultry farming as a means of improving their economic well-being.

MEETING WITH WASH INSTITUTE

A meeting was held between Mission Foundation Movement (MFM) and WASH Institute on 21st August 2026 to discuss the proposed collaboration and explore opportunities for joint initiatives in areas of mutual interest.

During the meeting, both organisations expressed their interest and willingness to establish a collaborative partnership. Discussions focused on identifying potential areas of cooperation, outlining proposed activities and establishing a framework for effective coordination and implementation. Both parties agreed to initiate collaborative activities from 1st September 2026 onwards, in accordance with mutually agreed plans and priorities.

The proposed collaboration aims to bring together the respective expertise and resources of both organisations to strengthen programme implementation and create meaningful outcomes through joint efforts.

The meeting concluded on a positive note, with both organisations expressing their commitment to maintaining regular communication, coordination and cooperation to ensure the smooth implementation of the proposed activities from September 2026 onwards.

REPORT ON OFFICIAL VISIT TO JAPAN BY THE EXECUTIVE DIRECTOR

Mr. Lalramchuanzela, Executive Director of Mission Foundation Movement (MFM), undertook an official visit to Japan from 24th to 28th August 2026.

The visit was undertaken as part of the 200-member Indian business delegation led by Hon'ble Union Minister for Commerce and Industry, Shri Piyush Goyal, from 24th to 27th August 2026. The delegation, described as India's largest-ever business delegation to Japan, was jointly constituted by CII, FICCI and ASSOCHAM in coordination with the Ministry of Commerce and Industry, with engagements across Tokyo, Nagoya and Osaka, to deepen trade and investment ties under the India-Japan Special Strategic and Global Partnership.

During the visit, Mr. Lalramchuanzela held discussions with representatives of the Japanese Government, relevant organizations and other stakeholders. The discussions focused on potential areas of cooperation including education, skill development, Japanese language training, caregiving, healthcare, and employment opportunities.

The visit provided an important platform to strengthen institutional relationships, establish new professional connections and explore avenues for future cooperation between MFM and Japanese institutions. Follow-up discussions will be undertaken with the concerned stakeholders to further develop and formalize potential collaborations and partnerships.

SWACHHATA HI SEVA 2026

Jan Shikshan Sansthan (JSS), Mamit, observed Swachhata Hi Seva 2026 on 25th September 2026 as part of the nationwide cleanliness and sanitation awareness campaign. The programme aimed to promote cleanliness, hygiene, sanitation, and a sense of responsibility towards maintaining a clean and healthy environment.

During the programme, awareness was raised about the importance of maintaining cleanliness in homes, public spaces, and surrounding communities. Participants were encouraged to adopt proper waste disposal practices, maintain personal hygiene, avoid littering, and actively participate in keeping their surroundings clean.

The programme also emphasised the importance of community participation in achieving a cleaner and healthier environment. Participants were encouraged to take responsibility for environmental cleanliness and make sanitation and hygiene an integral part of their daily lives.

Through its participation in Swachhata Hi Seva 2026, JSS Mamit reaffirmed its commitment to promoting social awareness, community participation, and healthy living practices. The initiative highlighted that maintaining cleanliness is a shared responsibility and requires continuous efforts from every individual and community.

FRESHER'S DAY CELEBRATION

MFM School of Nursing celebrated its Freshers' Day on 27th August 2026 with great enthusiasm and joy to welcome the newly admitted students into the institution. The programme was organised to warmly welcome the freshers and provide them with an opportunity to interact with their seniors, teachers and fellow students.

The programme was graced by J. Lalrosanga, as the Special Guest. His presence added charm to the celebration, and he entertained and inspired the students through his musical talent, making the occasion more enjoyable and memorable.

The celebration featured various performances and activities presented by the students, creating a lively and memorable atmosphere. The event also provided an opportunity for the newly admitted students to build friendships, develop confidence and become familiar with the academic and social environment of the institution.

The celebration concluded on a joyful note, marking a memorable beginning for the new students as they embarked on their journey in the nursing profession

AMEN REPORT

Mission Foundation Movement (MFM) continues to extend its missionary work by supporting a missionary serving in Kalahore. Through this initiative, MFM provides support to strengthen ongoing missionary activities and facilitate community service in the area.

This initiative reflects MFM's commitment to extending its mission beyond local communities and supporting dedicated individuals in carrying out their service in Kalahore.

GBV AWARENESS AT AMC WARD IV

A Gender Based Violence Awareness Programme was organized on 3rd September, 2026 at 11:00 AM at Ramthar Veng YMA Hall Thar, on the initiative of AMC Ward-IV Corporator Pi Vanlalhriati, jointly facilitated by Mission Foundation Movement (MFM) and Women & Child Development Department.

Members of MHIP, Zonu and Ward-IV residents attended the programme, chaired by Pi Vanlalhriati. The keynote address was delivered by Pu Lalramchhuanzela, Executive Director, MFM.

Resource Person Pi R.L. Lalengmawii, District Mission Coordinator, highlighted the different forms of violence against women, legal safeguards including the DV Act, and support services like Women Helpline-181 (24x7), One Stop Centre (OSC) and Shakti Sadan. She urged the community to stand as supporters for victims.

An interactive Q&A session was held, followed by a briefing from C. Roluahpuii, Project Coordinator, MFM, on their ongoing awareness campaigns in Schools and Churches and Self-Defence classes in selected schools.

EXECUTIVE DIRECTOR MEETS CHIEF MINISTER LALDUHAWMA

The Executive Director of Mission Foundation Movement (MFM), Pu Lalramchuanzela, met with the Hon'ble Chief Minister of Mizoram, Pu Lalduhoma, on 8th September 2026, to discuss potential areas of collaboration between Mizoram and the Government of Japan.

The meeting followed Pu Lalramchuanzela's recent visit to Japan as part of the Confederation of Indian Industry (CII) delegation led by Union Minister for Commerce and Industry, Shri Piyush Goyal.

During the meeting, the Executive Director briefed the Chief Minister on the outcomes of the visit and shared opportunities for cooperation in skill development, nursing and caregiving, Japanese language education, employment, and human resource development.

The discussions also explored possibilities for establishing stronger institutional linkages with relevant Japanese organisations and creating increased opportunities for Mizoram's skilled youth to pursue education, training and employment in Japan.

The meeting marked an important step towards exploring stronger Mizoram–Japan cooperation and expanding international opportunities for the state's young and skilled workforce.

FRESHERS' DAY CUM TEACHERS' DAY CELEBRATION

Laithangpuii College of Pharmacy celebrated its Freshers' Day cum Teachers' Day on 11th September 2026 at Bawngkawn South YMA Hall, Aizawl. The programme was organised to warmly welcome newly admitted students and to honour the dedication and contributions of teachers.

The celebration provided an opportunity for freshers to become acquainted with their seniors, faculty members and the college environment. It also served as a platform to express gratitude and appreciation to teachers for their guidance, commitment and valuable role in shaping the academic and personal development of students.

The programme featured various activities and cultural performances presented by the students, creating an atmosphere of joy, interaction and fellowship. The celebration also strengthened the bond between students and teachers while encouraging unity and a sense of belonging within the institution.

The event concluded on a joyful note, marking a memorable occasion for both the newly admitted students and the teaching community of Laithangpuii College of Pharmacy.

PRESS CONFERENCE WITH VAHANI SCHOLARSHIP TRUST

A Press Conference on Vahani Scholarship Trust was organized on 15th September, 2026 at Aizawl Press Club with the facilitation of Mission Foundation Movement (MFM).

Two representatives from Vahani Scholarship Trust attended the conference along with Pu Lalramchhuanzela, Executive Director, MFM. The representatives highlighted that Vahani Scholarship Trust is a fully-funded scholarship programme providing complete financial support for undergraduate studies along with long-term mentorship, counselling and internship assistance.

It was informed that the scholarship focuses on students who secured more than 85% in Matric/ Class 10 examination and whose family annual income is less than Rs. 3 Lakhs. Applications are open from 1st September to 1st December without any application fee at www.vahanischolarship.com. The Trust aims to ensure that no talented student is deprived of higher education due to financial constraints.

The conference concluded with an interaction with media persons.

MEETING WITH CHAIRMAN, MIZORAM STATE COMMISSION FOR PROTECTION OF CHILD RIGHTS

A meeting was held on 21st September 2026 with the Chairperson of the Mizoram State Commission for Protection of Child Rights (MSCPCR) at the Commission's office.

The meeting was attended by representatives from Mission Foundation Movement (MFM), namely Lalramchuanzela (Executive Director), C. Roluahpuii (Project Coordinator) and C. Malsawmtluangi (Counsellor).

The meeting provided an opportunity for MFM representatives to interact with the Chairperson and discuss matters relating to child protection, child rights and the welfare of children in Mizoram. Discussions also focused on possible areas of cooperation and the importance of strengthening efforts to safeguard children's rights and promote their well-being.

The meeting served as a platform for sharing perspectives and exploring ways to enhance coordination between MFM and the Commission in addressing issues concerning child protection and community welfare.

WRI MEETING

HL Rinawma and Caleba Lalnunpuia represented Mission Foundation Movement (MFM) at the WRI meeting held from 20 to 24 September 2026. The visit was organised to bring together partner organisations for mutual interaction, experience-sharing and discussions on strengthening collaborative initiatives.

A key component of the programme was an exposure visit to a solar energy power plant, which provided participants with an opportunity to understand the practical application of renewable energy and its potential contribution to sustainable livelihoods.

The visit focused on exploring how solar energy can support sustainable livelihood opportunities, promote the use of clean and renewable energy, reduce dependence on conventional energy sources and contribute to environmentally responsible community development.

The gathering also served as a platform for partner organisations to exchange ideas, share experiences and discuss possible areas of cooperation in advancing sustainable development initiatives.

The participation of MFM representatives in the meeting and exposure visit provided valuable insights into the integration of renewable energy solutions with sustainable livelihood programmes and strengthened the organisation's understanding of environmentally sustainable community development approaches.

The visit concluded on 24 September 2026, with useful learning experiences and opportunities for continued collaboration among WRI's partner organisations.

ONE-DAY WORKSHOP ON CLIMATE FUTURE OF MIZORAM

A one-day workshop on “Climate Future of Mizoram: Integrating Science, Tradition and Sustainable Solutions” was held on 25 September 2026 at the ATI Auditorium, MINECO, Aizawl. The workshop was jointly organised by Laltharate Unau Foundation (LUF), Mission Foundation Movement (MFM), and Mobius Foundation.

The event was graced by Pu Lalthansanga, Hon’ble Minister, Environment, Forest & Climate Change Department, as Chief Guest. Discussions and presentations focused on climate change impacts, indigenous traditional knowledge, climate adaptation, resilience, and sustainable solutions.

The workshop brought together government representatives, academics, environmental practitioners and civil society members, highlighting the importance of combining science, traditional knowledge and community action in building a climate-resilient and sustainable Mizoram.

SMILE MEETING

A review meeting was held on 26 September 2026 in connection with the SMILE (Support for Marginalised Individuals for Livelihood and Enterprise) initiative, coinciding with the official visit of the Secretary.

The primary purpose of the visit was to review the progress and implementation of the SMILE programme, assess ongoing activities and discuss the overall performance of the initiative. The meeting provided an opportunity to interact with the concerned team, examine the progress achieved and identify areas requiring further attention and improvement.

During the review meeting, discussions focused on programme implementation, achievements, challenges and the way forward to ensure effective delivery of the intended objectives. The Secretary's visit also provided guidance and valuable inputs for strengthening the programme and improving its overall implementation.

The meeting concluded with an emphasis on maintaining effective coordination, ensuring proper monitoring and documentation, and continuing efforts towards achieving the objectives of the SMILE initiative.

STAKEHOLDER CONSULTATION NORTHEAST INDIA

Caleba Lalnunpuia represented Mission Foundation Movement (MFM) at the Stakeholder Consultation on Promoting Regular and Assisted Migration for Youth and Skilled Professionals in Northeast India, organised by IDM International in Guwahati on 28th and 29th September 2026.

The consultation brought together stakeholders to discuss opportunities, challenges and strategies for promoting safe, regular and assisted migration among youth and skilled professionals from Northeast India. The programme focused on strengthening awareness of legal migration pathways, improving access to reliable information and ensuring that aspiring migrant workers are adequately guided and supported throughout the migration process.

The discussions also highlighted the importance of collaboration among government institutions, civil society organisations, training providers, recruitment agencies and other relevant stakeholders in facilitating ethical and responsible migration. Particular emphasis was placed on skill development, pre-departure orientation, protection of migrant workers' rights and access to overseas employment opportunities through proper channels.

MFM's participation provided an opportunity to exchange knowledge and experiences, explore potential partnerships and understand the role of organisations in preparing skilled youth and professionals for international employment.

The consultation concluded on 29 September 2026, contributing to greater understanding of the importance of coordinated efforts in promoting safe, regular and assisted migration across Northeast India.

MOBILE MEDICAL UNIT (MMU) - MAMIT DISTRICT

During the month of September 2026, Mobile Medical Unit (NMMU), operating in Mamit District, conducted health outreach activities across various villages with the objective of providing accessible healthcare services to people living in remote and underserved areas. The initiative primarily focused on reaching elderly individuals, economically disadvantaged families and other vulnerable members of the community who face difficulties accessing regular healthcare facilities due to distance and transportation challenges.

During the outreach camps, the medical team provided free blood pressure screening, general health check-ups, basic curative services and medical counselling. Free medicines were distributed to patients according to their health conditions and medical requirements. Individuals requiring further medical attention were also provided with appropriate referral services to ensure access to advanced healthcare facilities.

The camps provided an important opportunity for community members to receive basic medical consultations and timely health interventions within their localities. The activities particularly benefited elderly and vulnerable populations by reducing the need to travel long distances for essential healthcare services. The medical team also encouraged people to pay attention to their health, seek timely medical assistance and adopt healthy practices.

Through these outreach activities, the National Mobile Medical Unit continued its efforts to strengthen healthcare accessibility and improve the well-being of rural communities in Mamit District. The team remains committed to taking essential healthcare services to the last mile, ensuring that people in remote and underserved areas are not left behind in accessing basic medical care.
