## Meeting with Dy. DPC (E)

On 30th October 2023, a meeting was held at Samagra Shiksha Abhiyan office, High School Veng, Mamit. This meeting was conducted by the Dy. DPC for the programme of Students Career Mela – 2023 which should be conducted in different villages and schools.

## JSS Success Story

### - Lalthafamkima

Mr. Lalthafamkima's journey from Rengdil, Mamit district to becoming a two-wheeler mechanic under the mentorship of Mr. Chawngthanmawia at Jan Shikshan Sansthan is truly inspiring. His dedication and hard work are evident in the fact that he now runs his own workshop and earns a stable income of Rs. 8000-10000 per month. What's even more remarkable is that he extends his expertise to others, providing employment opportunities by allowing them to work in his workshop and offering a daily salary of Rs. 500. He loves to explore his skills to a person who was interested in this two-wheeler mechanic sector. His success story demonstrates the power of pursuing one's passion and skill development.

## Internship for GDA students

GDA under DAY-NULM students started OJT at Aizawl Hospital on 28th sept and ended on 28th oct. During the internship period, students had opportunity to apply the skills they learned in classrooms and hopefully will be a guidance as they start their career in hospital settings or home care.

## Online meeting with Ashraya Hastha Trust

MFM staffs attended an online meeting with Ashraya Hastha Trust, Bangalore regarding collaboration for 'Integrated Livelihood Support Project' projected to be implemented at Mamit District.

Ashraya Hastha Trust is a charitable foundation that advances ideas and supports organisations to promote a better, more equal world. Their areas of work includes healthcare and education for all, environment preservation, livelihoods, animal rights and welfare.

## START UP ENTREPRENEURSHIP DEVELOPMENT PROGRAMME - SEDP - SUCCESS STORY

MRS. LALCHHUANMAWII

Lalchhuanmawii is living in Rawpuichhip village under reiek RD block. She is a hardworking and strong will woman, she thought that whatever a male worker can do she can also do and her gender never give inferiority to

male gender. Her most favourite and interest was carpentry works. Breaking the gender stereo type she open her own unit in 2017. Based on the survey conducted by SEDP she was selected to be an existing entrepreneur. Accordingly she was given a training for further success of her business, in which she take keen interest throughout the training period. After completion of training she was supplied equipment to support and increased her product. Thus the equipment's supply to the existing tools which help her increased products in larger quantity and quality.

She thanked MFM for supporting her business which in turn increased her income and lifted the living condition of her family. With the equipment provided by the project she's now increasing her products and expand her business.

## Mamit 25/10/23 Meeting with CMO

Mamit team had a district level review meeting at the CMO office with Dr. Lalnuntluangi Khiangte, the District Immunization Officer (DIO).

They presented a report to her, detailing their activities over the past few weeks. The team informed her that they had been engaging in door-to-door mobilisation , checking the MCP cards of children, and emphasizing to parents the importance of not missing the routine immunization (RI) sessions.

The DIO inquired about the possibility of extending the project, as the fourth phase of the IMI5.0 is scheduled for November. She mentioned that the team's assistance would be greatly required. However, the team expressed their lack of knowledge regarding any potential project extension.

half. She emphasized that without the assistance of the M-RITE Team, it would have been challenging to reach the more remote areas, and their support was instrumental in achieving a good result district-wide, including in the fight against Covid-19.

Zosangkimi, the District Manager, made a presentation on the topic of 'Overview of M-RITE'. She provided a brief report on their operations and the activities they had carried out over the past three and a half months. The event then proceeded to the Felicitation of Vaccinators, Dr. Lalnuntluangi Khiangte, DIO, and Ms. K.Lallawmawmi, Health Supervisor, distributed gift items to the vaccinators.
