SUCCESS STORY

Lalrampari d/o Rothianga, Lungsir, Mamit who once was a private school teacher's decision to enroll in the nail technician program at Jan Shikshan Sansthan in Mamit was a wise one.

Through the program, Lalrampari learned all the essential skills required to become a nail technician. She honed her craft and developed her own unique style, which set her apart from others in the field.

With her newly acquired skills, Lalrampari started her own business providing home service to clients. The demand for her services was high, and she was soon making anywhere from Rs 500 to Rs 4000 per day.

Lalrampari's success has not only improved her own financial situation but has also inspired other women in her community which gave them the desire to practice the same.
